DOCKET DESCRIPTION:

Nancy Hammack, Complainant/Petitioner v. Duke Energy Carolinas, LLC and Piedmont Natural Gas Company, Defendants/Respondents

MATTER UNDER CONSIDERATION:

Ms. Hammack's Request to Hold All Matters in Abeyance Pending Settlement Discussions

HEARING EXAMINER'S ACTION:

Ms. Hammack wishes to explore whether this docket may be resolvable by agreement among the parties without a hearing. The parties have been notified of her desire to discuss possible settlement, and the Hearing Examiner has been advised that at least some communications have taken place or are imminent. To facilitate these efforts, the Hearing Examiner hereby suspends all testimony filing deadlines and the hearing date. If settlement discussions do not result in a resolution, these matters will be rescheduled.
